PRIVATE EVENT FAQ'S

How much does it cost to rent one of your food trucks?

Depending on the type of event (private events) and food truck we do require a food minimum of \$650.00 and a food truck service fee of \$300.00 that will cover 2-hours of service (\$100.00 per hour after that). If we do not make the minimum amount at an event, it is up to the event's host to cover the remaining charges.

What do your food trucks serve at catered events?

Our Catering Specialist will provide you with our Private Event menus and work with you in customizing a menu for your event. Please note we ideally like to have a minimum of 2 menu items per guest to ensure we have a sufficient amount of food for your guests! Any extras are yours to keep.

What is the cost per person for a Private Event run?

To be able to provide an accurate price per person for your event we would need to finalize a menu to offer. As stated above we like to offer two items per person. With all of this in mind, we typically see costs per person in the range of \$16.50 - \$17.50.

How do I book one of your trucks?

We can hold a tentative date. Once your menu is finalized we will collect the \$300 food truck service fee as your non-refundable deposit to ensure the date and time of your event are locked in.
